

About Us

The Westfield Athletic Booster Club (WABC) is a non-profit, all volunteer organization whose mission is to provide financial support to all Westfield High School and Middle School athletic programs. The program is funded entirely through corporate sponsorships, individual and family memberships, and various fundraising activities.

What We Do

The organization provides over \$50,000 in funds each year that go toward:

- Purchase of ALL team uniforms for boys and girls sports for BOTH the High School and Middle School (over 1,300 athletes)
- \$10,000 in college scholarships (two \$3,000 and four \$1,000)
- Team awards (e.g., Championship Tee-shirts, Jacket Patches, State Championship Rings, Championship Banners, etc.)
- Special requests to support the athletic department, our coaches, and student athletes

Get Involved

Booster Club members are invited to attend our monthly meetings. Meetings are held on the second Monday of the month in the WHS main cafeteria (enter through Door 2) at 6:30 pm.

Thank you for your support!

Thanks for joining us and others in the Westfield Community by supporting our area students and athletic programs. Your contribution helps to make Westfield a great place to not only cheer on the Shamrocks, but to raise a family as well!
